

Glen Elric Fernandes

📍 Mangalore,India | 📞 9880255142 | @ glenelricfernandes@gmail.com

Summary

Highly motivated and skilled individual with a passion for learning and contributing to team success. Proven ability to apply leadership, communication, and teamwork skills to drive project completion and achieve desired outcomes.

Experience

Hackathons

Participated in many intra-college and Inter-College Hackathons to provide feasible solutions to the problem statements.

- **Premiere Hackathon- SJEC** : Runners up the agriculture category for the solution "Agriscrow" an escrowing platform for large transactions of agricultural produce.
- **Synergia:Codeblaze- SCEM**: Participated in a 24 hour hackathon conducted by Sahyadri College of Engineering. Developed an android based solution on managing UPI Transactions.

NCC

Attended various camps under the 6 KAR Naval Unit NCC. Used the platform to develop leadership skills. Learnt to manage my time and effectively complete the given tasks.

Education

St.Joseph Engineering College Computer Science Engineering (Data Science) 9.28 CGPA	2022-2026 Bachelors	St. Aloysius P.U College Science 89.16%	2020-2022 Intermediate
St. Aloysius High School Karnataka State Board 96.16%	2017-2020 High School		

Projects

Personal Portfolio Website

🔗 <https://glenelric.github.io/GlenElric/>

Effectively summarised my learnings in HTML5, CSS3 and JavaScript by developing a simple portfolio website. Planning on to optimize it with different frameworks to render my learnings into more optimized websites.

Skills

Programming

My interests revolve around creating innovative and efficient solutions through languages like Python , C++, Java , C and learning data driven languages like R.

Python, Java, C, C++

Web Development

keen focus on web development and a passion for learning to embed frameworks like Node.js, Astro and Angular.

HTML5, CSS3, JavaScript

Social Skills

I possess a proven ability to establish and cultivate positive relationships with individuals from diverse backgrounds

Team Building, Leadership, Adaptability, Effective Communication
